

CHIP NOTICE

Get free or low-cost health coverage through Medicaid or the Children's Health Insurance Program (CHIP)

How does it work?

Some states have premium assistance programs (called Health Insurance Premium Payment, or HIPPP) that can help people pay for employer-sponsored medical coverage. The funding for the premium assistance programs comes from their state's Medicaid or CHIP programs. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, go online to www.healthcare.gov.

Who's eligible for the state-sponsored premium assistance programs?

You might qualify if:

- You are eligible for health coverage from your employer,
- You can't afford your health coverage premiums, and
- You live in one of the states listed on the following pages (the state list is current as of July 31, 2023).

What should I do to apply?

That depends on whether you or your dependents are eligible for Medicaid or CHIP.

- If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed on the following pages, contact your state's Medicaid or CHIP office to find out if premium assistance is available.
- If you or your dependents are **not** currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can find out how to apply by:
 - Contacting your state's Medicaid or CHIP office;
 - Calling **1.877.KIDSNOW (1.877.543.7669)**, which will connect you with staff in your state; or
 - Going online to www.insurekidsnow.gov.

If you qualify, you can ask if your state has a program that might help you pay the premiums for an employer-sponsored plan.

What should I do if my application for premium assistance is approved?

- Your employer's health plan is required to permit you and your dependents to enroll in the plan. (Becoming eligible for premium assistance is called a "special enrollment" opportunity.)
- You **must request coverage within 60 days** of being determined eligible for premium assistance.

If you have general questions about your benefit rights under federal law, contact the Department of Labor Employee Benefits Security Administration at www.askebsa.dol.gov or call **1.866.444.3272**.

What if my state is not on this list?

You can learn whether your state has added premium assistance since July 31, 2023, through:

U.S. Department of Labor
Employee Benefits Security Administration

menu option 4, ext. 61565

What if I want to learn more?

For more information on special enrollment rights, you can contact either of the above agencies.
