

WOMEN'S HEALTH AND CANCER RIGHTS ACT

If you need mastectomy-related services

Our medical plans provide benefits for mastectomy-related services as required by the Women's Health and Cancer Rights Act of 1998. These services include all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses and treatment of complications resulting from a mastectomy, including lymphedema. Call your medical plan provider for more information.

For more information, contact the Department of Labor at 1.866.444.3272 or the Department of Health and Human Services at 1.877.267.2323.
